April 2022 Newsletter

With another winter season behind us, we look forward to enjoying the best of outdoor activities in Canada with the arrival of Spring. We hope you and your family are well and are hopeful that better days are ahead for those living in the Ukraine and surrounding countries.

In this newsletter we provide a number of interesting articles to safeguard your wealth, to better protect your online account security and a review of the markets during March.

Protecting Your Wealth

You've worked hard to build your family's wealth; that's why protecting it is a key priority to ensure you are prepared to meet your current and future wealth management goals and commitments. The article [Protecting Your Wealth](#), discusses several considerations to help safeguard and enhance your wealth.

Digital Security – Keeping your Personal Account Security Safe

We increasingly interact and transact online, so it's important to know how to keep your personal and account information secure. The article [Digital Security – Keeping Your Personal and Account Information Safe](#), provides a few simple ways you can protect yourself online, as well as some key reminders for detecting fraud.

Global Markets Commentary

You can read a concise review of the Global markets [here](#).

If you have any questions about this summary, or your investment portfolio, please call us.
