

Naveed Mohammed

Vice-President, Head of Managed Asset Strategy and Analytics

Naveed has more than 14 years of investment industry experience and joined the BMO Nesbitt Burns team in 2010 as an analyst on the Investment Fund Strategy team. In his role of as Head of Managed Asset Strategy and Analytics, Naveed leads a team of investment professionals focused on manager research across Nesbitt's various platforms including Separately Managed Accounts, mutual funds, ETFs, alternatives and structured products. The team is responsible for manager selection, oversight, recommendations, product approval, model portfolios and supporting the over 1100 Investment Advisors at Nesbitt Burns. Prior to Nesbitt Burns, Naveed was at CI Institutional Asset Management as Account Manager where he was responsible for managing strategic relationships including fund-of-funds, sub-advised accounts and fund analysts.

Naveed is a Chartered Financial Analyst and a Chartered Alternative Investment Analyst and has a Bachelor of Commerce (Hons.) from Carleton University
