

# 2023 Tax Documents Overview and Schedule

BMO Nesbitt Burns

We appreciate that tax season is an important time of year for investors. Depending on your investment holdings and account activity, you could receive a variety of tax slips that you'll need to prepare your annual tax return. To help simplify your tax preparation efforts we are providing a brief overview of the various tax slips and supporting documents you may receive from BMO, along with their expected availability dates. It's important to note that this schedule may be subject to change. Please make sure that you receive all required tax slips before filing your tax return with the Canada Revenue Agency ("CRA"), and Revenu Québec for Quebec residents, to prevent having to file an amendment. As a reminder, most Canadian individual tax returns are due on **April 30, 2024**.

Please note that depending on your delivery preference, your tax documents will be posted on BMO Nesbitt Burns Gateway® and/or placed in the mail as soon as they are available. If you're not already registered to receive your tax slips exclusively online, please speak with your BMO Nesbitt Burns Investment Advisor.
