

Important Information for Snowbirds and Canadians with U.S. Real Estate

The United States is an attractive alternative for many Canadian snowbirds. However, estate tax and personal care laws are different, and it is important that Canadians understand the difference.

Michael Kennedy is a U.S. licensed lawyer residing in Ontario who provides a full range of U.S. tax and legal services to Canadians. His [newsletter](#) discusses the following topics;

- 1) State specific powers of attorney for Canadian snowbirds
- 2) The benefit of U.S. wills for Canadians owning real estate in the U.S.
- 3) U.S. estate planning for Canadians

If you have questions or would like to be introduced to Michael, please contact us.

Sincerely,
